SIGNAGE

- Fastening or attaching any rope, sign, banner, flyer or other object to any tree, shrub or park feature on Chicago Park District property is strictly prohibited.
- All proposed signage (including notification postings along athletic routes) must be approved in writing by the Chicago Park District prior to installation.

SITE CONDITION

- Permittee has examined and knows the condition of the Site and acknowledges that the same is in clean, sightly, and safe condition. The Park District makes no representations as to the condition of the Site or its fitness for a particular purpose. Permittee accepts the Site "as is."
- Permittee warrants that the Site will be returned to the condition in which it was delivered (collectively, the "Site Condition Baseline") by the Permit tear-down time.
- Site Condition may be documented by the Permittee. At its sole discretion, the Park District may require a pre-event site visit as a condition of permit approval.
- All costs and fees of damages or repairs necessary to restore the Site to the Site Condition Baseline are the sole responsibility of Permittee. At the Park District's sole discretion, if the Park District has both the capacity and availability, Permittee may have the option to hire the Park District to perform the work. Alternatively, Permittee may hire its own forces to make all repairs and Site restoration, at the sole expense of Permittee. The Park District must approve (which approval shall not be unreasonably withheld, OR delayed) any scope of work and any contractors, labor, etc. hired by Permittee prior to any restoration and repair.
- Permittee is responsible for all costs incurred by the Park District arising from emergency repairs due to the Permittee's activities in order to return the site to a clean, sightly, and safe condition for the duration of the permittee's event or any subsequent event.

- Parking privileges are for production vehicles only. Passes are granted on a case by case basis; most locations do not have capacity for onsite parking.
- Parking for event staff/participants is available at parking lots and designated street parking, but may also be granted on-site for a limited number of Production vehicles.

ADDENDUM B: TENT/CANOPY/PLATFORM ERECTION & ACKNOWLEDGEMENT LETTER

Erection of tents and canopies on Chicago Park District property must be preapproved by the Department of Revenue.

There are several locations listed below that require locates/designation of underground infrastructure to identify irrigation, plumbing or electrical lines in order to prevent injury or damage to the property. This takes place at a pre-event on-site meeting (Locates Meeting) scheduled in advance of event set-up. Where irrigation lines are present, the irrigation system is turned on and inspected for leaks at the Locates meeting prior to event set-up. A post-event on-site meeting is scheduled and the irrigation is again turned on and inspected for damage. Damage repair costs are the responsibility of the applicant. Additionally, the applicant is responsible for Staff/Contracted Vendor costs to conduct locates and irrigation inspections. Staking of tents in these locations may be restricted or denied. Additionally, securing tents by staking into concrete is not permitted without prior approval; any repair costs incurred from restoring the concrete to its original condition must be paid by the applicant.

Locations that require locates/on-site walk through. Other sites may be identified once site map is submitted.

Prior to applying for a Tent/Canopy/Platform permit DOB, applicants must possess a letter from the Chicago Park District acknowledging the number and size of ALL tents, canopies and/or platforms. DOB will not review an application for erecting such structures on Park District property unless this acknowledgement letter is submitted along with your application package. Therefore, if the number and/or size of your tents, canopies and/or platforms changes, please notify the Chicago Park District immediately. All amendments/revisions must be made in writing (page 6).

The Chicago Park District recognizes that many advisory council events requiring permits are avenues to generate funding for park improvements or programs. There is a possibility that certain fees may be waived or reduced if the event aligns with the Park Advisory Council's activities to support the Chicago Park District.

Consult with your local Park Supervisor/Area Manager to clearly identify the benefit to the Chicago Park District (*i.e., part of a fundraising campaign for capital improvements and/or programming at the park*). Be sure to include this information in the event description portion of the Special Events Permit application.

APPROVAL PROCESS: *Submit the required form with supporting documents* to the Park Supervisor/Area Manager who will submit the form to the Region Office for approval. Upon Regional approval, the form is sent to the Director of the Legislative and Community Affairs Unit for review and a recommendation is made as to whether the event aligns with the Park Advisory Council's activities to support the Chicago Park District. If so, a recommendation for the appropriate rate will be submitted to the General Superintendent & CEO for review and final approval. If it is determined that the event is not aligned with the Park Advisory Council's support of the Chicago Park District, the full or reduced rate may be required.

TIMELINE: In order to allow appropriate time for review, the partnership approval process may take up to 30 days. Upon approval, you will receive notice of any fee reductions and/or waivers in the approval letter issued by the Department of Revenue.

LIABILITY INSURANCE

The information below only pertains to Park Advisory Councils. This does not apply to senior groups, volunteers, etc. ***The Chicago Park District insurance policy will only cover Park Advisory Councils that are recognized and registered with the Legislative and Community Affairs Department.***

LIMITATION OF COVERAGE

Limitation of Coverage: to Room and Field Rentals and Special Events limited to: 500 or fewer in attendance, no liquor, no animals and no carnival/amusement rides, including inflatables.

Please note that inflatables, bake sales and other cooked food items are not included under this coverage and Park Advisory Councils will need to purchase liability insurance for these types of events (Refer to Addendum A for more information).

APPLYING FOR A PERMIT

When choosing a park, specific park location (or grove), and date for your event it can be helpful to consult with the park supervisor to determine if the specific location is available for the date(s) and time(s) that you may be interested in. **Events of 50 or more people and those events with special features (amplified sound, Tents, animals, and petting zoos, etc.) are required to secure a Special Event Permit.** Please familiarize yourself with the permit application process and event rules and regulations included in the Special Event Permit Application Package.

COMPLETING THE APPLICATION: When completing the application, focus on those categories that are appropriate for your event. Be sure to provide a detailed description of your event and attach (or sketch) a site map, to include the location of all sources of amplified sound, tents and canopies with sizes, inflatables, portable toilets, and other structures.

APPLICANT INFORMATION: The name of applicant must match the signature of applicant. Your Park Advisory Council should be listed as the applicant. If the event is being sponsored by a local elected official, business, or other organization, this entity should be listed as the applicant and appropriate contact information must be listed on the application.

*Remember to sign the application
