- 

## **TENTS, CANOPIES, STAGES, AND/OR PLATFORMS**

- Tents and canopies over 400 square feet or stages and platforms over 2 feet high or with roof or wings are required to be permitted from the City of Chicago Department of Buildings (DOB), (312) 744-3449.
  - The event applicant is responsible for any damage caused to park property/facility and must consult Park District staff prior to installation.
  - In certain locations staking of tents and canopies may be prohibited. In such locations tents and canopies may be approved to be stabilized with ballasts. The applicant is responsible for all staff costs associated with the installation of tents and canopies (inspection, irrigation, turf damage, utility locates, etc.), if the request is approved by the Chicago Park District (Refer to Addendum B for more information).
  - You will be required to submit a letter from the Park District verifying the number and sizes of tents and/or canopies larger than 400 square feet or stages and platforms over 2 feet high or with roof or wings before DOB will issue a permit. This applicant must request this letter from the Park District and submit to DOB. Please refer to page 22 to view a sample of the tent/canopy/platform acknowledgement letter.
  - A copy of all permits issued by DOB must be submitted to the Park District 30 days prior to your event; otherwise, late fees may apply (refer to Fee and Document Deadlines).

- 

## **VEHICLES**

- Vehicles are only allowed on Park District property (excluding designated parking spaces) when a Delivery or Parking pass has been issued.
  - Any vehicle pass that has been provided to the applicant must be clearly displayed on the dashboard of the vehicle. Any vehicle not properly displaying the appropriate vehicle pass is prohibited and may result in a permit violation penalty fee, issuance of a warning and/or citation and/or towed from Park District property.
  - Driving and parking vehicles on grass, athletic fields and beaches is prohibited, however the Park District may consider granting Vehicle Passes for the delivery of equipment and supplies for event set-up and tear-down. A Vehicle Pass does not grant permission to park or drive on grass, athletic fields or beaches.
  - Parking privileges are for production vehicles only. Passes are granted on a case by case basis; most locations do not have capacity for onsite parking.
  - Parking for event staff/participants is available at parking lots and designated street parking, but may also be granted on-site for a limited number of vehicles.
  - Idling of vehicles is strictly prohibited, except where permitted by the City of Chicago Municipal Code Section 9-80-095.

## ADDENDUM B: TENT/CANOPY/PLATFORM ERECTION & ACKNOWLEDGEMENT LETTER

Erection of tents and canopies on Chicago Park District property must be preapproved by the Department of Revenue.

There are several locations listed below that require locates/designation of underground infrastructure to identify irrigation, plumbing or electrical lines in order to prevent injury or damage to the property. This takes place at a pre-event on-site meeting (Locates Meeting) scheduled in advance of event set-up. Where irrigation lines are present, the irrigation system is turned on and inspected for leaks at the Locates meeting prior to event set-up. A post-event on-site meeting is scheduled and the irrigation is again turned on and inspected for damage. Damage repair costs are the responsibility of the applicant. Additionally, the applicant is responsible for Staff/Contracted Vendor costs to conduct locates and irrigation inspections. Staking of tents in these locations may be restricted or denied. Additionally, securing tents by staking into concrete is not permitted without prior approval; any repair costs incurred from restoring the concrete to its original condition must be paid by the applicant.

Locations that require locates/on-site walk through. Other sites may be identified once site map is submitted.

- Grant Park – Arvey Field, Buckingham Fountain, Butler Field and Tiffany Garden
- Jackson Park
- Lincoln Park
- Midway Plaisance

Prior to applying for a Tent/Canopy/Platform permit DOB, applicants must possess a letter from the Chicago Park District acknowledging the number and size of ALL tents, canopies and/or platforms. **DOB will not review an application for erecting such structures on Park District property unless this acknowledgement letter is submitted along with your application package.** Therefore, if the number and/or size of your tents, canopies and/or platforms changes, please notify the Chicago Park District immediately. ## ADDENDUM F: PARK ADVISORY COUNCILS

The Chicago Park District recognizes that many advisory council events requiring permits are avenues to generate funding for park improvements or programs. There is a possibility that certain fees may be waived or reduced if the event aligns with the Park Advisory Council's activities to support the Chicago Park District.

**Consult with your local Park Supervisor/Area Manager to clearly identify the benefit to the Chicago Park District (i.e., part of a fundraising campaign for capital improvements and/or programming at the park).** Be sure to include this information in the event description portion of the Special Events Permit application.

**APPROVAL PROCESS:** Submit the required form with supporting documents to the Park Supervisor/Area Manager who will submit the form to the Region Office for approval. Upon Regional approval, the form is sent to the Director of the Legislative and Community Affairs Unit for review and a recommendation is made as to whether the event aligns with the Park Advisory Council's activities to support the Chicago Park District. If so, a recommendation for the appropriate rate will be submitted to the General Superintendent & CEO for review and final approval. If it is determined that the event is not aligned with the Park Advisory's support of the Chicago Park District, the full or reduced rate may be required.

**TIMELINE:** In order to allow appropriate time for review, the partnership approval process may take up to 30 days. Upon approval, you will receive notice of any fee reductions and/or waivers in the approval letter issued by the Department of Revenue.

### LIABILITY INSURANCE

The information below only pertains to Park Advisory Councils. This does not apply to senior groups, volunteers, etc. **The Chicago Park District insurance policy will only cover Park Advisory Councils that are recognized and registered with the Legislative and Community Affairs Department.**

### LIMITATION OF COVERAGE

Limitation of Coverage: to Room and Field Rentals and Special Events limited to: 500 or fewer in attendance, no liquor, no animals and no carnival/amusement rides, including inflatables.

Please note that inflatables, bake sales and other cooked food items are not included under this coverage and Park Advisory Councils will need to purchase liability insurance for these types of events (Refer to Addendum A for more information).

### APPLYING FOR A PERMIT

When choosing a park, specific park location (or grove), and date for your event it can be helpful to consult with the park supervisor to determine if the specific location is available for the date(s) and time(s) that you may be interested in. **Events of 50 or more people and those events with special features (amplified sound, animals, and petting zoos, etc.) are required to secure a Special Event Permit.** Please familiarize yourself with the permit application process and event rules and regulations included in the Special Event Permit Application Package.

**COMPLETING THE APPLICATION:** When completing the application, focus on those categories that are appropriate for your event. Be sure to provide a detailed description of your event and attach (or sketch) a site map, to include the location of all sources of amplified sound, tents and canopies with sizes, inflatables, portable toilets, and other structures.

**APPLICANT INFORMATION:** The name of applicant must match the signature of applicant. Your Park Advisory Council should be listed as the applicant. If the event is being sponsored by a local elected official, business, or other organization, this entity should be listed as the applicant and appropriate contact information must be listed on the application.
